Sculptor Rob Neilson Named One of 13 Fox Cities' "Creatives"

Posted on: March 7th, 2012 by Rick Peterson

Sculptor Rob Neilson

Sculptor Rob Neilson, associate professor of art and Frederick R. Layton Professor of Art, was among 13 "creatives" spotlighted in the March edition of Fox Cities Magazine for helping define "the Fox Cities' new wave of artistic ambition."

Best known for his public art, including last year's "compassionate manhole covers," which can be found in the sidewalks along College Ave. in downtown Appleton and on the Lawrence campus, Neilson was featured in a story examining community artists, creators and innovators who represent the potential the Fox Cities has "to make its mark on the creative world map."
